course of training in both open quarrying and underground mining at the Bellara Gold Mines and other places for a period of six months.

3 This practical training will not by itself give the students any claim whatsoever—express or implied—for any of the appointments in the Department either in the permanent or temporary establishments.

4 The students selected for the training should make their own arrangements for boarding and lodging.

5 The students selected should be prepared to work in any part of the State where the Director arranges for their training and they should strictly carry out the instructions given to them by the officers under whom they may be posted for training. Such of those who fail to comply with the rules, work diligently and make satisfactory progress during the period of training, are liable to be sent away even in the middle of their training period without refunding any portion of the fee which might have been paid by them.

6 The applicants should submit their applications together with copies of testimonials, if any, with full details regarding their educational qualifications, so as to reach this office on or before 28th January 1952.

Late applications will not be consdiered.

Intimation will be sent to the candidates who are selected for training by about the 5th February 1952 and the selected candidates should report themselves for training immediately thereafter.

For further details, the applicants may either call in person during the working hours of the office of the undersigned or write for necessary information required.
